### **ASW Supply Chain Services Quality Management System Is ISO 9001:2015 Certified**

We are pleased to announce that as of March 16, 2017, ASW Supply Chain Services, LLC has been certified to the ISO 9001:2015 standard. ISO 9001 sets quality management system standards. We are delighted to serve our customers even better through the well-defined and documented processes this certification requires. While we've always been committed to quality in our products and services, this certification assures our customers that ASW Supply Chain Services is in compliance with all regulations and will meet their needs in regards to order fulfillment, packaging, transloading, warehousing, public storage, and distribution services.

Nick Mihiylov, President of ASW Supply Chain Services, said the following: "I am very pleased that ASW Supply Chain Services, LLC Quality Management system has been certified to the new ISO 9001:2015 standard by [Smithers Quality Assessments](#). Our entire team did an amazing job in making this transition possible. My thanks to our entire team, and especially to Karen Johnson for her efforts that were above and beyond expectations after having been recently promoted into the Quality / Safety Coordinator Position shortly before our scheduled certification audit.

"We all believe that this revised new standard will assist us in driving our quality management system to enhance our client experience and our efficiencies and performance."

Karen Johnson, Quality/Safety Coordinator responded, "Being ISO Certified directly corresponds with ASW's commitment to creating unprecedented levels of supply chain value by meeting or exceeding client and ISO requirements through continual improvement.

"Achieving ISO 9001:2015 certification is a huge accomplishment for me, being new to the position of Quality/Safety Coordinator. I understand so much more and appreciate why the Quality Management System is a vital part to ASW Supply Chain Services, LLC."

ASW previously had been certified to the ISO 9001: 2008 standard.
