

ASW Global Associates Enjoy a Night at the Ballpark

ASW Global has been treating associates to Akron RubberDucks games during the 2018 season. Employees and their families have the opportunity to attend a game and enjoy the view from one of the climate-controlled suites. Tickets, food, and beverage are all free for the employees and their guests. Long-time employees Jon Supple and Kathy Metko attended a recent game with their families. Kathy said, "We all really enjoyed the game and the food and the opportunity to get together with co-workers outside the work environment. Lots of fun was had by all!!" Jon and his wife Kathy concurred saying, "Our family had so much fun at the game! We are so thankful for this awesome opportunity!"

On some nights, guests are treated to fireworks after the game.
