

George Hand

Executive Vice President and CFO

George Hand serves as Executive Vice President and Chief Financial Officer for ASW Global, LLC. His core responsibilities include financial planning, market alignment and strategic acquisitions for ASW. He has extensive knowledge of financial leadership and business functions stemming from his experience in the field.

Hand joined the ASW Global team after spending a little over a decade working in capital markets to provide corporate finance advice to small businesses and investor groups. In that position, George specialized in making recommendations regarding debt and equity solutions for corporate expansion. Prior to that, Hand was the managing partner of HK International, an Atlanta-based privately funded firm he established, which engaged in corporate finance activities related to acquisitions, divestitures and private equity investing. He was also the Executive Vice President, division general manager for Heller Financial Inc. (Leveraged Funding Group), in Atlanta, where he directed all managerial, lending, and investment portfolio management activities for the Division. In his career, some notable accomplishments include generating a 64 percent rate of return to investors. Transaction sizes ranged from \$1million to \$2billion dollars. Also in 1990, Hand structured and arranged financing for the largest international leveraged buyout (\$150Million) in Georgia.

George graduated from North Carolina A&T State University with a Bachelors of Science in Accounting and received legal coursework from the Woodrow Wilson School of Law in Atlanta, Georgia. Hand attended London School of Business and Economics for additional course work. He has served at the board level for public, private and non-profit companies and is an active member for the American Institute of Certified Public Accountants (AICPA), the Society of International Business Fellows (SIBF), the Georgia Society of CPAs, and the Commercial Finance Association.

Hand's extensive experience and widespread expertise provide ASW with the understanding and versatility to accommodate business objectives and plan for the future. With his background in mergers and acquisitions and his broad familiarity ranging from finance to law, George is poised to lead ASW Global in the attainment of its aggressive growth goals.
