

## Nick J. Mihiylov

President, ASW Supply Chain Services

Nick Mihiylov became President, ASW Supply Chain Services in 2014. Previously, Mihiylov was the Senior Vice President in charge of Business Development for ASW Global, LLC. While he concentrates on building and maintaining client relationships with national clients, Mihiylov's core responsibilities also include overseeing the growth and implementation of the company's expanding logistics service offerings.

Mr. Mihiylov began his career in distribution with The General Tire Company in 1973. From there he moved to Akron Storage and Warehouse in 1983 as a Warehouse Manager. He then progressed to General Manager and on to Vice President. Primarily responsible for the growth and development of The Gilchrist Polymer Center, a start up company specializing in services to the plastic resin industry such as packaging, trans-loading, pulverizing, storage and distribution, Mr. Mihiylov served as President from original inception through integration into ASW Supply Chain Services. Since 1990, Mr. Mihiylov has personally directed the construction of over 900,000 square feet of commercial warehouse-distribution space. He personally directed the start up of four contract operations, two of which were to service a fortune one client.

Mihiylov has obtained coursework for Operations Management including the completion of the APICS Certified Supply Chain Professional (CSCP) program, and has received certification from the National Association of Foreign-Trade Zones. He is a member of the Ohio Warehouse and Logistics Association, International Warehouse and Logistics Association, the National Association of Foreign-Trade Zones, the Council of Foreign-Trade Zones and Supply Chain Management Professionals.

Nick is well versed in US Customs and Border Protection rules and regulations as well as benefits associated with the use of a Foreign Trade Zone and is experienced in creating custom supply chain solutions for our clients. His extensive knowledge of the industry and focus on individual client needs contribute to ASW Global being positioned for continual growth. He aggressively researches the industry, trends, clients, partners and prospects to ensure that ASW Global is fully equipped in its supply chain offering. As a result, ASW Global is prepared to provide solutions to a diverse mix of clients with varying needs and business objectives.
