ASW Global Welcomes New President & General Manager of ASW Energy Services

Mogadore, Ohio – ASW welcomes Rich Phillips to the position of President and General Manager of ASW Energy Services. Rich has over 30 years of managerial gas distribution and construction experience with major public utility companies. Rich has been responsible for gas line construction and field management, including mainline distribution, new service installation, repair services, leak detection, and operating pipelines. Rich’s compelling perspective from being “hands-on” to management will be a valuable asset and a welcome addition to our team. Rich will oversee all Energy Services’ operations.
